Provision is made for a Board of Medical Examiners, consisting of seven members. Every person hereafter wishing to practice medicine or surgery in any of the departments in this state shall apply to said board for a certificate so to do. Every person applying shall present his or her diploma to the said Board of Examiners for verification as to its genuineness; if the diploma is found genuine, and is issued by a medical school legally organized and in good standing whose teachers are graduates of a legally organized school, which facts said Board of Examiners shall determine, and if the person presenting and claiming said diploma be the person to whom the same was originally granted, at a time and place designated by said board or at a regular meeting of said board, said applicant shall submit to an examination in the following branches, to-wit: anatomy, physiology, materia medica, therapeutics, practice of medicine, surgery, obstetrics, diseases of women and children, diseases of the nervous system, diseases of the eye and ear and present evidence of having attended four courses of lectures of at least six months each, but such evidence of having attended four courses of lectures shall not be required of the applicants graduating prior to July 1, 1898; said board shall cause such examination to be both scientific and practical, and of sufficient thoroughness and severity to test the candidate's fitness to practice medicine and surgery; when desired, such examination may be conducted in the presence of the dean of any medical school, or the president of any medical society in this state. After examination, such board, if the candidate has been found qualified, shall grant a certificate to such candidate to practice medicine and surgery in the state of Montana; which said certificate can be granted only by the consent of not less than four members of said board, and which said certificate shall be signed by the president and secretary of said board and attested by the seal thereof; provided, however, that in all cases where an applicant for a certificate under this section shall produce an exhibit to said Board of Examiners a certificate from a Board of Medical Examiners, duly appointed and existing under the laws of any state of the United States and recognizing certificates or licenses from this state certifying to the fact that the person presenting such certificate is duly and well qualified to practice medicine and surgery in the state issuing said certificate, and that said board issuing said certificate has subjected the applicant to a thorough examination to ascertain this fact, or certifying to the fact that the person presenting such certificate is duly and well qualified to practice medicine and surgery in the state issuing said certificate; and to the further fact, if such is the case, that said applicant was exempt from examination under the provisions of the law of said state, by reason of his residence in said state in the active practice of medicine and surgery at the time of the passage in said state of said law requiring the examination of applicants to practice medicine and surgery; he or she may, at the discretion of said Board of Examiners upon paying the fee required of applicants for examination, and otherwise complying with all the requirements of this article, receive from said Board of Examiners a certificate to practice medicine and surgery within this state, and upon filing said certificate with the county clerk of the county in which he resides, he shall be a legally qualified practitioner of medicine and surgery in this state; provided, also, that during any period intervening between the sessions of said Board of Examiners, any person desiring to practice medicine in this state may present his or her diploma to the president or secretary of said board, who may issue a certificate good until the next regular meeting of said board; and provided further, that all physicians and surgeons who hold certificates granted by the now existing Board of Medical Examiners, or who are now legally

SAUNDERS' SUCCESSFUL BOOKS
See pages 9 to 32

entitled to practice medicine and surgery in this state shall be exempt from the provisions of this section.

Every person obtaining a certificate from the board must, within 60 days from the date thereof, have the same recorded in the office of the county clerk in the county wherein he resides; if he removes from one county to another to practice medicine or surgery, his certificate must immediately be recorded in the county to which he removes. The county clerk must endorse upon the certificate the date of record, and he is entitled to charge and receive his usual fee for such services, the fee to be paid by the applicant.

This act shall not apply to midwives of skill and experience, commissioned surgeons of the United States army and navy in the discharge of their official duties, nor to physicians and surgeons in actual consultation from other states and territories.

Candidates for examination shall pay in advance to the secretary of the board of medical examiners a fee of fifteen dollars ($15), which fee shall defray the entire expense of said candidates for examination before the aforesaid board of examiners. Anyone failing to pass the required examination shall be entitled to a second examination within six months, without fee

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ¶, Druggist; ‡, Dentist.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

NEBRASKA.

CAPITAL, LINCOLN.

Population of State, 1,068,539.
(U. S. Census of 1900.)
Number of Physicians, 1,644.

Nebraska was organized as a territory May 30, 1854, and admitted as a state March 1, 1867. The total land surface is, approximately, 76,840 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900, being as follows: 1890, 13.8; 1900, 13.9. It extends from 40 degrees to 43 degrees north latitude, and from 95 degrees, 13 minutes to 104 degrees west longitude, and is bounded on the north by South Dakota, on the south by Kansas and Colorado, on the east by Iowa and Missouri, and on the west by Colorado and Wyoming. The climate is salubrious, the mean annual temperature as observed at Omaha being 49.28 degrees, that of the summer 74.26 degrees, and that of the winter 23.36 degrees. The average rainfall is about 26 inches. Nebraska is part of that vast plane which extends along the eastern base of the Rocky Mountains and gently slopes down toward the Mississippi river. The surface is flat or gently undulating. The soil consists for the most part of a black and porous loam, which is slightly mixed with sand and lime. The streams flow in deeply eroded valleys with broad alluvial bottoms of the greatest fertility which are generally well timbered with cottonwood, poplar, ash and other deciduous trees. The uplands are undulating prairies presenting an almost unlimited field for stock raising and wool growing.

The following table shows increase in population since 1860:

1860	28,841	1890	1,058,910
1870	122,993	1900	1,068,539
1880	452,402

SYNOPSIS OF NEBRASKA MEDICAL PRACTICE ACT.

WHO MAY PRACTICE.

It shall be unlawful for any person to practice medicine, surgery or obstetrics or any of the branches thereof, in this state, without first having applied for and obtained from the State Board of Health a license so to do. Application therefor shall be in writing, and shall be accompanied by the examination fees hereinafter specified and with proof that the applicant is of good moral character. Applications from candidates who desire to practice medicine and surgery in any or all their branches shall be accompanied by proof that the applicant is a graduate of a medical school or college in good standing, as defined in this article. When the application aforesaid has been inspected by the board and found to comply with the foregoing provisions, the board shall notify the applicant to appear before it for examination at the time and place mentioned in such notice. Examinations may be made wholly or in part in writing by the board and shall be of a character sufficiently strict to test the qualifications of the candidate as a practitioner. The examination of those who desire to practice medicine and surgery in any or all their branches shall embrace those subjects and topics, a knowledge of which is commonly and generally required of candidates for the degree of doctor of medicine, by reputable medical colleges in the United States. All examinations provided for in this act shall be conducted under rules and regulations prescribed by the board, which shall provide for a fair and wholly impartial method of examination. It is also provided that examinations on practice of medicine and therapeutics shall be conducted by the member, or members, of the board of secretaries, who are of the same school of medicine as that of the applicant. And it is further provided, that the said State Board of Health, may at their discretion, admit, without examination, legally qualified medical practitioners, who hold certificates to practice medicine in any state with equal requirements to those of the state of Nebraska.

MEDICAL SCHOOL DEFINED.

The term medical school or college in good standing, shall be defined as follows, to-wit: a medical school or college requiring a preliminary examination for admission to its course of study in all the common branches, and in Latin and the higher mathematics, which requirements shall be regularly published in all the advertisements and in each prospectus or catalogue issued by said school, which medical school or college shall also require as a requisite for granting the degree of M. D., attendance upon at least four courses of lectures of six months each, no two of said courses to be held within one year, and having a full faculty of capable professors in all the different branches of medical education, to-wit: anatomy, physiology, chemistry, toxicology, pathology, hygiene, materia medica, therapeutics, obstetrics, bacteriology, medical jurisprudence, gynecology, principles and practice of medicine and surgery, and specially requiring clinical instruction in the two last named of not less than four hours per week in each during the last two courses of lectures; provided, that this four years clause shall not apply to degrees granted, or to be granted, prior to August, 1898

DIPLOMAS.

It shall be the duty of all persons intending to practice medicine, surgery, or obstetrics in the state of Nebraska before beginning the practice thereof, in any branch thereof, to present his diploma to said board, together with his affidavit that he is the lawful possessor of the same ,that he has attended the full course of study required for the degree of M. D. and that he is the person therein named. Such affidavit may be taken before any person authorized to administer oaths, and the same shall be attested under the hand and official seal of such official, if he has a seal, and any person swearing falsely in such affidavit shall be guilty of perjury and subject to the penalty therefor.

If upon investigation of the proofs submitted to the board, and after the examination, as hereinbefore provided, the applicant shall be found entitled to practice, there shall be issued to said applicant the certificate of said board under its seal and signed by its secretaries stating such fact, and it shall be the duty of the applicant before practicing to file such certificate or a copy thereof in the office of the county clerk in the county in which he or she resides or in which he or she intends to practice; such certificate or

BERRY BROTHERS, LIMITED,
VARNISH MANUFACTURERS. DETROIT, MICH.

copy shall be filed by the county clerk and by him recorded in a book kept for that purpose, properly indexed, to be called the "Physicians' Register," and for such services the county clerk shall receive from the applicant the same fees as are allowed to the Register of Deeds for the recording of conveyances.

Section 19. Every holder of a diploma from a recognized medical college within the state of Nebraska, making application for an examination and certificate under the prosions of this act, shall pay to the board of secretaries prior to his examination the sum of ten ($10.00) dollars. All other persons making such application shall pay to said board the sum of twenty-five dollars ($25.00). All such fees shall be equally divided among the four secretaries of the board as full compensation for their services and expenses. For the taking of any testimony each of the secretaries shall be entitled to charge and receive such fees as are provided for notaries public for similar services. No part of such fees shall be paid out of the state treasury.

This act shall take effect and be in force from and after August 1st, 1903.

SPECIAL RULES OF THE BOARD.

Each applicant for examination must present to the board letters of recommendation from two registered physicians of the state or such others as may be satisfactory to the board.

No medical school recognized by the board unless said school is recognized by the Association of Medical Colleges of the School of Practice to which it belongs.

Applications must be on file at least ten days before the date of examination.

GEO. H. BRASH, Secretary,
Beatrice, Nebraska.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement.
Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ¶, Druggist; ‡, Dentist.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

NEVADA.

CAPITAL, CARSON CITY.

Population of State, 42,335.
(U. S. Census of 1900.)
Number of Physicians, 89.

Nevada extends from 114 degrees to 120 degrees west longitude, and from 35 degrees to 42 degrees north latitude, and is bounded on the north by Oregon and Idaho, and on the southwest and west by California, and on the east by Utah and Arizona. It comprises an area of 109,740 square miles, or 70,233,609 acres. The climate is subject to great extremes, the winters being very cold, the summers hot. The atmosphere is dry, with but little rain or snow. The mean annual temperature is 54.13 degrees; that of the summer 75.18 degrees, and of the winter 34.55 degrees.

SYNOPSIS OF MEDICAL LAW

The Governor appoints a mixed Board of Medical Examiners, which issues two forms of certificates, one for persons who present to it satisfactory diplomas or licenses, and the other for candidates who may be examined by the Board, and "whenever a certificate is issued by said board it shall notify the respective county clerks of the several counties within the State of the issuance of such certificate or certificates, and it shall be the duty of said clerks to keep and file said notices and also keep a list of the persons to whom issued.

"It shall also issue a certificate to any person who has had issued to him a diploma or license from any reputable school or college of medicine and surgery which is located without the United States, upon the applicant being found competent after having passed a satisfactory examination by the said board. When the board is not in session its secretary may issue a temporary certificate whenever the applicant shall have deposited the usual fee and filed his diploma or license with him, and such temporary certificate shall entitle the holder to practice until the next regular meeting of said board. And all examinations of applicants to practice shall be thorough and searching and shall be in the following branches: Anatomy, physiology, chemistry, materia medica, therapeutics, principles and practice of medicine, principles and practice of surgery, gynæcology, obstetrics, ophthalmology, pathology and all subjects relating to the practice of medicine and surgery. The board may judge whether the college or institution which issued any diploma or license presented to it is reputable and legally chartered and worthy of recognition subject to the action of the courts in cases of abuse of its discretion in this respect."

The fee for certificate is $25. Certificate must be recorded with County Recorder.

Sec. 10. Any person shall be regarded as practicing medicine, within the meaning of this act, who shall profess publicly to be a physician or surgeon, or who shall prescribe for the sick or profess to cure the sick by the administration of drugs or other means, or shall append to his name the letters "M. D."; but nothing in this act shall be constructed to prohibit any gratuitous services in cases of emergency, or to commissioned surgeons in the United States army or navy.—Journal American Medical Association.

CAUTION.

Beware of so called Medical Directories, plagiarized from R. L. Polk & Co.'s Medical and Surgical Register of North America in violation of the copyright laws.

We have positive proof that some of the so-called State Medical directories issued since August, 1900, were copied from our 1900 Register and palmed off as new and original works.

Our friends will confer a favor upon us as well as render a service to the medical profession by promptly notifying us of such attempted frauds.

R. L. POLK & CO.

BECKER LAW AND COLLECTION AGENCY,
LOS ANGELES, CAL.
See adv. at beginning California Physicians.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement.
Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ¶, Druggist; ‡, Dentist.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

NEW HAMPSHIRE.

CAPITAL, CONCORD.

Population of State, 411,588.

(U. S. Census of 1900.)

Number of Physicians, 730.

New Hampshire, one of the original thirteen States, has a population (according to the United States Census of 1900) of 411,588, as against 376,530 in 1890, representing an increase during the decade of 35,058, or 9.3 per cent. The total land surface of New Hampshire is, approximately, 9,005 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 41.8; 1900, 45.7. It is bounded on the north by Canada, on the south by Massachusetts, on the east by Maine and the Atlantic Ocean, and on the west by Vermont, and extends from 42 degrees, 41 minutes to 45 degrees, 11 minutes, north latitude, and from 70 degrees, 40 minutes, to 72 degrees, 28 minutes, west longitude. Along the sea coast extends a tract of low and level land, some thirty miles wide, which rises to a narrow belt of hill country and culminates in the famous White Mountains in the northern part of the State, of which the highest point, Mt. Washington, forms the loftiest summit in New England. This range has outlying groups interspersed over the State. The climate is rigid and the winters long and severe, particularly in the more elevated mountainous districts. The summers are usually mild and pleasant, although a temperature of over 100 degrees in the shade is not of rare occurrence. The mean annual temperature ranges from 38 degrees in Coos county and the White Mountains to 48 degrees in the southern portion. The rainfall averages from 10 to 14 inches in summer, and from 6 to 12 inches in winter, and from 32 to 40 inches during the year. The sea coast and the Connecticut valley receive the largest amount of precipitation.

The State is well watered. The principal rivers are the Connecticut (which forms its entire western line of demarcation), with its numerous tributaries, and the Merrimac with its feeders flowing through the center of the state and emptying into the Atlantic. The upper waters of the Androscoggin drain a large portion of the northern section. There are numerous lakes and the State is noted for the remarkable beauty of its mountain and lake scenery. Fine forests of oak, pine, beech, sugar maple, birch, etc., cover the mountains and the northern parts of the State,

HIGHLAND SPRING SANATORIUM

NASHUA, N. H.

CLASS OF CASES RECEIVED.

AT this Institution the resident physician receives into his home patients of either sex, afflicted with various nervous diseases, organic or functional, who require constant medical supervision and intelligent nursing care. The number of patients is strictly limited. No infectious disease, including tuberculosis, has ever been admitted. Such and others of a boisterous or unruly tendency will be refused. On the other hand, certain chronic diseases not distinctly nervous, as diabetes and Bright's disease, persons convalescing from operations or other acute illnesses, as well as *selected* cases of alcohol and drug addiction will here receive appropriate treatment. All the comforts of home are provided, with expert medical attendance and ideal surroundings for rest and recuperation.

LOCATION AND SURROUNDINGS.

The Sanatorium is situated in the suburbs of Nashua, N. H. (population 25,000), one mile from the Post Office and the Main street Railroad Station. Two miles distant is Nashua Junction Station, which has trains in six different directions throughout New England. Daily, twelve trains each way connect with Boston, one hour's ride by express.

The buildings are upon high land overlooking the city and commanding a view in all directions of upwards of 40 miles. To the south, west and north are clearly visible Mount Wachuset, Mount Monadnock, Peterboro Hills, Lyndeborough Mountains, Joe English, The Uncanoonucs and many lesser peaks, with wooded country in the foreground. To the eastward lies the valley of the Merrimack.

Nearby is the Highland Spring, a never-failing source of the purest water, which has long had more than a local reputation for its health giving qualities.

Behind the house is a grove of oak and pine where patients recline on cots or in hammocks and spend the summer days in the open air. Here, also, tents may be pitched and complete outdoor life enjoyed. The walks and drives in the woods and park nearby and about the city are very popular. In winter and in rainy weather, the Sun Parlor and Billiard Room and wide Piazzas are still available, as well as the Library and Reception Rooms of the Main building which are furnished appropriately as in any private residence. In fact the patients are treated as invalid visitors and every effort is made to eliminate all institution routine consistent with good management of the household.

The rooms are all light and airy and are furnished singly or *en suite*. Most of them are heated by steam, some by hot water, and a few by hot air and open fireplaces.

TREATMENT.

The Superintendent, is a graduate of Harvard Medical School, who, be-sides having taken several post graduate medical courses, was for several years resident physician in a large State Hospital. He makes diseases of the brain and nervous system his specialty. His somewhat varied experience, however, enables him to appropriately care for other cases needing the advantages obtained in a well regulated Sanatorium, as referred to above. No exclusive system of treatment is employed. Each case is made an individual study, aided by such helps as modern laboratory methods afford for accurate diagnosis and treatment. Besides appropriate medicines, massage, Swedish movements, electricity in its different forms, and various baths are used. The Consultants include some of the best specialists of the profession in New England, who give special rates to Sanatorium patients. Every patient is under the immediate control of the Superintendent, whose medical recommendations are expected to be explicitly followed as long as patients remain under treatment. Only in this way can the surest and quickest results be obtained.

TERMS.

The terms vary according to the size, location and number of rooms occupied and whether or not a private nurse is required. This variability does not affect the medical treatment, each case receiving whatever is deemed best irrespective of the amount paid. Rates include board and room, medicines and medical attendance, nursing supervision, massage, baths, electricity, and general carriage driving, and range from $25.00 per week upward. Private baths, either with single rooms or communicating with a suite, are available.

Patients may enter at any time and the Sanatorium's private carriage will meet any train if sufficient notice be given by letter or telephone.

Secretary's Office, 89 Third Ave., Borough of Manhattan.

The Association of American Directory Publishers is composed of reputable City Directory Publishers, organized for the general advancement of the Directory business. Any person, corporation or firm engaged in business as owner and publisher of a City Directory in the United States or Canada, who shall qualify as competent to gather information and compile a City Directory and furnish satisfactory references, is eligible to membership.

The objects of the Association are:

First. The advancement of the Directory business and the improvement of Directories by the interchange of ideas and the exchange of experienced employes.

Second. To provide **protection** to the public against **fraudulent advertising schemes which operate under the name of Directories**, and to drive unprincipled promoters of the same out of the business.

Third. To provide permanent and profitable employment to competent, industrious and honest Directory canvassers and compilers.

Fourth. For the mutual protection and advancement of the established and prospective interests of all who may become members, by personal advice and assistance of members as may be mutually satisfactory, desirable or advisable, and by such other means as may, from time to time, be shown to be wise, proper and lawful.

$100.00 Reward **Will be paid by the Association for the arrest and conviction of any person or persons engaged in publishing, collecting or canvassing for any fraudulent or fake directory.**

Unity Springs—New Port P O.

White Mountain Mineral Spring—Conway P O. Alk.

Yocum Spring—Goffstown Center P O. Chaly.

SYNOPSIS OF MEDICAL LAW.

The law provides for three Boards of Examiners, representing the regular, homoeopathic and eclectic state societies. To be admitted to examination for license to practice medicine, the candidate must be over 21, of good moral character, have a college degree or education equivalent to a full course in a registered academy or high school and have studied medicine not less than four full school years, including four satisfactory courses of not less than six months each in four different calendar years, and must either have received the degree of bachelor or doctor of medicine from some registered medical school,

Salo-Sedatus. Prescribe for Fever and Pain
See Page 2.

er a diploma or license conferring full rig ht to practice medicine in some foreign country. Five or more years of reputable practice may be taken as equivalent for part of the preliminary education or four-course requirements, provided the substitution is stated in the license. The fee for examination is $10. Second examination permitted after six months' additional study without additional fee. Christian scientists, magnetic healers, clairvoyants, etc., exempted from provisions of this act if they do not call themselves doctors or M. D.'s. The law contains a reciprocity clause, but it is not enforced, as it is not mandatory.—Journal of the American Medical Association.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement.
Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H. Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ¶, Druggist; ⟨, Dentist.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

NEW JERSEY.

CAPITAL, TRENTON.

Population of State, 1,883,669.
(U. S. Census of 1900.)
Number of Physicians, 2,360.

New Jersey, one of the original thirteen States, extends from 38 degrees 56 minutes to 41 degrees 30 minutes north latitude, and from 73 degrees 55 minutes to 75 degrees 32 minutes west longitude, and is bounded on the north by New York, on the south by Delaware bay, on the east by the Atlantic ocean, and on the west by Pennsylvania.

The State may be divided into three sections. The northwestern part is mountainous, being traversed by a broad belt of ridges belonging to the Appalachian system. The middle section consists of red sandstone with trap ridges and is diversified by gentle undulations. The lower half of the State, with its sandy soil and its forests of pine, is comparatively level and forms a part of the Atlantic coast plain. The climate is mild, being tempered by the vicinity of the ocean. The mean annual temperature, as observed at Newark during a period of 24 years, was 50.50 degrees, that of the summer 70.35 degrees and that of the winter 30.75 degrees.

The State is well watered, and the abundance of its streams renders perfect drainage very easy, while their rapid fall gives them great value for their water power. The principal rivers are the Hudson, which runs along the eastern border for 28 miles; the Delaware, forming the western border and draining 2,100 square miles of its area; the Hackensack, Raritan, Passaic, Navesink, Rahway, Great Egg, Shrewsbury, Toms, Maurice and Mullica. There are numerous beautiful small lakes in the northwestern part of the state.

The following table shows increase in population since 1830:

1830	320,823	1870	906,096
1840	373,306	1880	1,131,116
1850	489,555	1890	1,444,933
1860	672,035	1900	1,883,669

The total land surface is, approximately, 7,525 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 192.0; 1900, 250.3.

For list of Medical Colleges, see page 152.

The total number of deaths for the year ending June 30, 1901, was 31,048; rate per 1,000 of population, 16.12.

STATE BOARD OF HEALTH.

The Secretary of State, the Attorney-General, the State Geologist, members ex-officio. Pres, Cyrus F Brackett, M D, Princeton; H W Elmer, M D, Bridgeton; H B Rue, M D, Hoboken; W H Murray, M D, Plainfield; Laban Dennis, M D, Newark; G P Olcott, C E; Sec, Henry Mitchell, M D, State House, Trenton.

SYNOPSIS OF THE REQUIREMENTS FOR EXAMINATION AND LICENSE TO PRACTICE MEDICINE AND SURGERY IN THE STATE OF NEW JERSEY.

1. Name, address, place and date of birth, showing that candidate is over 21 years of age.

2. Character: Certificates of moral character from not less than two physicians in good standing, one of whom must be a resident of New Jersey.

3. Academic requirements: Candidates for examination must present a certificate of academic education, or a certified copy of diploma, to attach to and file permanently with their application, showing that their academic education meets at least one of the following requirements of the statute:

(a) A certificate or diploma issued after four years of study either in a normal, manual training or high school, of the first grade in this state, or in a legally constituted academy, seminary or institute of equal grade.

(b) A student's certificate of examination for admission to the freshman class of a reputable literary college, attested by the seal of the institution attended, or before a notary.

(c) A certificate from the State Superintendent of Public Instruction of New Jersey that the candidate's academic education is considered and accepted by him as fully equivalent to either of the above requirements.

Candidates failing to present one of the above certificates must pass an examination before the State or County Board of Examiners for Teachers, application for which must be made to the State Superintendent of Public Instruction, Trenton, N. J., at least ten days before the examination.

State teachers' examinations are held at Trenton on the first Thursday, Friday and Saturday of June and December in the following subjects:

THURSDAY

Plane and solid geometry.....4 counts
Literature .....4 counts
Chemistry .....4 counts
Botany .....2 counts

FRIDAY.

German, 1st and 2d year.....8 counts

THE Keeley Cure
2803 LOCUST STREET, ST. LOUIS, MO.
"The Most Successful Treatment" for Liquor Drinking, Morphine and other Narcotic Drug Using, Neurasthenia, Tobacco and Cigarette addictions.
Correspondence and Consultation Confidential.
DR. J. E. BLAINE, PHYSICIAN AND MANAGER.
Home Treatment for Tobacco and Neurasthenia. SEE PAGE 5.

The following subjects are given only at the October examinations:

SATURDAY.

Drawing ..... 4 counts Greek, 1-3 years.....12 counts
Manual training .....4 counts

Any forty-eight of the above one hundred and sixty counts will be regarded as the equivalent of a full high school course (a count representing ten weeks' work of five days per week). Candidates who furnish satisfactory evidence of having completed a two or three years' high school course will be given due credit for the same and will be examined only in the remaining subjects of the full course.

Examinations will be entrusted only to the regularly organized official examining boards, and a fee of twenty-five cents for each subject taken must be paid to the examiner in charge.

If a candidate shall fail to secure the required number of academic counts at one session of a board of examiners, due credit will be given for the subjects in which he has passed, and it shall be his privilege to attend subsequent examinations.

A New York Regents' Medical Student's Certificate of 48 counts will be accepted as the equivalent of a high school course.

Any regular state teacher's certificate (not including certificates to teach music, drawing, manual training, physical training, or other special subjects), or Latin in connection with a first grade county certificate, will be accepted as evidence of preliminary academic education.

A certificate of graduation from any registered gymnasium in Germany, Austria or Russia, or a certificate of a completed course of five years in a registered Italian gymnasium and of three years in a lyceum, will be accepted as meeting the requirements.

Academic certificates accepted as credentials for admission to the State Medical Examination will be filed permanently in the State Library at Trenton.

4. Medical Requirements: Candidates must have received a diploma conferring the degree of doctor of medicine from some legally incorporated medical college (which in the opinion of said board was in good standing at the time of issuing said diploma) in the United States, or a diploma or license conferring the full right to practice all the branches of medicine and surgery in some foreign country, and have also studied medicine not less than four full school years of at least nine months each, including four satisfactory courses of lectures of at least seven months each, in four different calendar years in some legally incorporated American or foreign medical college or colleges, prior to the granting of said diploma or foreign license.

First Exemption: Candidates for license who graduated prior to July 4th, 1903, and have been in continuous and reputable practice for at least five years since graduation, may be admitted to the examinations of this board upon certified and satisfactory evidence of moral character, of three courses of medical lectures in different calendar years and of a competent academic education according to the standard of that time, as determined in the case of non-graduates of academic institutions by the state superintendent of public instruction; provided, however, that such substitution and exemption be specified in the license.

Second Exemption: Candidates for license who graduated prior to July 4th, 1894, and have been in continuous and reputable practice since graduation, may be admitted to the examinations of this board upon certified and satisfactory evidence of moral character, of two courses of medical lectures in different calendar years and of a competent academic education according to the standard of that time, as determined in the case of non-graduates of academic institutions by the state superintendent of public instruction; provided, further, that such substitution and exemption be specified in the license.

5. Application for Examination: Candidates for examination should apply to the secretary of this board for a blank form of application which must be filled out in accordance with the printed instructions on the blank; bear the seal of the medical institution from which the applicant was graduated, and be returned to the secretary for approval and filing, with a certificate of academic education and a certified check, signed by or payable to the order of the candidate, or a postal money order, for $25.00, the regular examination fee, at lease ten days before the date of the examination. In addition to the above requirements, graduates of foreign institutions must file, with their applications, a certified copy, with translation, of their academic and medical diplomas, made by and under the seal of their respective consuls-general, showing that the candidate possesses the full right to practice medicine in all its branches in the country in which the diploma was issued, to which the candidate must make affidavit that he is the person named therein.

Each candidate will be required to file with his or her application for examination a recent photograph of himself or herself, on the reverse side of which the candidate must write his or her name before a notary, or other legal official who must certify over his seal to the identity of the photograph with the candidate and to the genuineness of the signature. No candidate will be admitted to the examination who has not complied with this rule. If the application is approved, the candidate will be advised of the time and place of the examination and of the rules governing the same. After the examination, the application forms, with examination questions, papers, averages and academic certificates, will be filed permanently in the State Library at Trenton. Neither academic nor medical diplomas should be sent to the secretary unless requested. In case of failure to pass the examination the candidate may be re-examined at any regular examination within one year without the payment of an additional fee. Second or subsequent examination includes all branches.

6. Subjects of Examinations: All examinations shall be written in the English language, and shall be held in the following subjects, namely: (Sec. 1) materia medica and therapeutics, (Sec. 2) obstetrics and gynecology, (Sec. 3) practice of medicine, including

SAUNDERS' SUCCESSFUL BOOKS
See pages 9 to 32

diseases of the skin, nose and throat, (Sec. 4) surgery, including surgical anatomy and diseases of the eye, ear and genito-urinary organs, (Sec. 5) anatomy, (Sec. 6) physiology, (Sec. 7) chemistry, (Sec. 8) histology, pathology and bacteriology, (Sec. 9) hygiene and medical jurisprudence.

Candidates intending to practice homeopathy or eclecticism will be examined in materia medica and therapeutics by the members of the Board of Examiners representing those schools. Two hours are given to each section, in which fifteen questions are submitted, ten of which must be answered by the candidate. A total average of at least 75 per cent., or 675 points out of a possible 900, must be attained.

7. Date and Place of Examination: The regular examinaations of the board are held in the capitol, at Trenton, on the third Tuesday and Wednesday in June and October. Application for proper blank forms for the June examination should be made early in May, and for the October examination early in August.

8. Certified Copy: A certified copy accompanies the license issued by this board and must be filed with the clerk of the county in which the candidate intends to practice. Candidates removing from one county to another must file a certified copy of their license with the clerk of the county to which they remove; duplicate certified copies may be obtained from the secretary of this board by forwarding the original license with the fee of $2.00.

Candidates must not begin the practice of medicine in this state until they have received a certificate of license from this board and have duly filed a copy of the same.

9. Penalty for Unlawful Practice: Any person hereafter commencing the practice of medicine and surgery in any of its branches in this state without first having obtained and filed a license from this board as provided for in the act regulating the practice of medicine and surgery, approved May 22, 1894, amended and approved April 8, 1903, or contrary to the provisions of the act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished for the first offense by a fine of not less than one hundred dollars or by imprisonment in the county jail for a period of not less than thirty days, or by both fine and imprisonment, and for each subsequent offense the punishment shall be double that of the preceding one, and it shall be the duty of the respective district attorneys of the counties of this state to prosecute violation of the provisions of this act.

Camden, New Jersey. E. L. B. GODFREY, M. D., Secretary.

SYNOPSIS OF REQUIREMENTS FOR ENDORSEMENT OF LICENSES ISSUED BY OTHER STATES.

Endorsement of medical licenses issued by other states can only be granted where the standard of requirements is substantially the same as that of New Jersey. All candidates for endorsement must comply with the following conditions:

1. Candidates must present a certificate of academic education to attach to and file permanently with their applications in one of the following forms:

(a) A certificate of graduation or a certified copy of diploma, issued after four years of study either in a normal, manual training or high school of the first grade in this state, or in a legally constituted academy, seminary or institute of equal grade.

(b) A student's certificate of examination for admission to the freshman class of a reputable literary college, bearing the seal of the institution attended, or duly attested before a notary.

(c) A certificate from the State Superintendent of Public Instruction of New Jersey, showing that the candidate's academic education is considered and accepted by him as fully equivalent to either of the above requirements.

Candidates failing to present one of the above certificates must pass an examination before the State or County Board of Examiners for Teachers, application for which must be made to the State Superintendent of Public Instruction, Trenton, N. J., at least ten days before the examination.

State teachers' examinations are held at Trenton, N. J., on the first Thursday, Friday and Saturday of June and December; county teachers' examinations are held in each county on the first Friday and Saturday of February, May and October.

2. Candidates must have studied medicine not less than four full school years of at least nine months each, including four satisfactory courses of lectures, of at least seven months each, in four different calendar years in a legally incorporated American or foreign medical college or colleges, prior to receiving the degree of doctor of medicine.

3. Candidates must have passed a state examination in substantially the same medical branches, and under essentially the same rules and regulations as required by this board for examination, and must have received a state license upon an average marking of at least seventy-five per cent.

4. Candidates must present with their applications a certificate of moral character either from an incorporated medical society, signed by the president or secretary thereof over the seal of the society, or from two legally qualified physicians, residents of the same locality as the candidate, duly attested by a notary.

5. Candidates must present a letter from a registered, reputable physician of New Jersey, recommending them for endorsement by this board.

Applicaation for Endorsement: Application for endorsement must be made upon a blank form provided by this board and obtained of its secretary, and must be filled out in conformity with the above conditions; bear the seal of the medical institution from which the candidate was graduated, with the certificate of the dean or other executive officer, stating number and length of courses of lectures and date of graduation; bear a verbatim copy of the applicant's state medical license over the seal of the State Examining Board issuing the same, together with the affidavits of the president and secretary thereof, as to the date of examination, number of license, subjects examined and

VARNISH MANUFACTURERS. DETROIT, MICH.

total average attained, and must be returned to the secretary of this board for approval and filing, with the affidavit of the candidate and a certified check or postal money order for the regular fee of fifty dollars. Graduates of foreign institutions must file, with their applications, a certified copy, with translation, of their academic and medical diplomas, made by and under the seal of their respective consuls-general, showing that the candidate possesses the full right to practice medicine in all its branches in the country in which the diploma was issued, to which the candidate must make affidavit that he is the person named therein.

If the application is approved, the license of this board will be granted, and the application form, with certificates of recommendation, moral character and academic education, will be filed perminently in the State Library at Trenton as prima facie evidence of matters contained therein. The endorsement of a college diploma, or a foreign license, cannot be accepted in lieu of a state examination. Candidates must designate the state license to be endorsed, and the acceptance of an application for endorsement cannot be determined until the forms provided by this board have been properly filled out and submitted for approval.

Certified Copy: A certified copy of the license issued by this board must be filed with the clerk of the county in which the candidate intends to practice. Candidates removing from one county to another must file a certified copy of their license with the clerk of the county to which they remove; duplicate certified copies may be obtained from the secretary of this board by forwarding the original license with the fee of $2.00.

Candidates, whether for examination or endorsement, must not begin the practice of medicine in this state until they have received a certificate of license from this board and have duly filed a copy of the same.

Temporary License: A temporary license may be granted to a legally qualified physician of another state to take charge of the practice of a legally qualified physician of this state, temporarily during the latter's absence from this state, upon written request from the physician residing in this state, made on the blank form of this board under affidavit, and returned to the secretary for filing with the regular fee of $2.00, when license will be issued. This license covers a period of not less than two weeks nor more than four months. A temporary license will not be granted under any other conditions.

Penalty for Unlawful Practice: Any person hereafter commencing the practice of medicine and surgery in any of its branches in this state without first having obtained and filed a license from this board as provided for in the act regulating the practice of medicine and surgery, approved May 22, 1894, amended and approved April 8, 1903, or contrary to the provisions of the act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished for the first offense by a fine of not less than one hundred dollars, or by imprisonment in the county jail for a period of not less than thirty days, or by both fine and imprisonment, and for each subsequent offense the punishment shall be double that of the preceding one, and it shall be the duty of the respective district attorneys of the counties of this state to prosecute violation of the provision of this act.

Camden, New Jersey. E. L. B. GODFREY, M. D., Secretary.

DOCTOR. Have you tried SALO-SEDATUS in Typhoid Fever? See page 2.

11th Year of Publication.

POLK'S
DENTAL REGISTER
and DIRECTORY.

IT IS A FACT that the leading and progressive men in the dental profession regard the **REGISTER** as a standard book of reference which ought to be in every dentist's library.

The Register is designed to so completely cover the dental directory field that further investment in that line will be unnecessary.

If you want to know the **COLLEGE STANDING** of the dentists you come in contact with, you will find it in the Register.

The **INDEX TO DENTISTS** in the Register will enable you to locate a **LOST FRIEND** if he is practicing anywhere in the United States.

List of Dentists arranged by States, giving Postoffice Address, with Population and Location of each place.

College and Class of Graduation.

All the Existing and Extinct Dental Colleges in the United States and Canada, with Location, Faculty, etc., arranged by States and Provinces.

Auxiliary and Post Graduate Institutions and Courses.

Dental Colleges in the United States and Canada arranged Alphabetically by Name.

Classified Directory of Business Pertaining to the Dental Profession.

The various National, Interstate, State and Local Dental Societies, Dental Journals, Boards of Dental Examiners, and other Dental Institutions.

The full text of the Laws for regulating the Practice of Dentistry in each State and Province.

Dental Department of the U. S. Army.

A Descriptive Sketch of each State and Territory and Province.

General Alphabetical list of Dentists, and reference to dental standing.

RECTAL DISEASES.
PILES
The only "Natural Treatment" known. Restorative, not destructive.
Most successful in all so-called incurable Rectal Diseases.
DR. WALTER C. BROWNING, 1325 Spruce Street,
(SEE PAGE 8.) PHILADELPHIA.

CHESTNUT AVENUE SANITARIUM

318 Chestnut Avenue, TRENTON, N. J.

The oldest and most successful institution in New Jersey for the treatment of the

Liquor and Morphine Habits, also Mild Mental Disorders

OUR CLAIM.

OUR TREATMENT is an improvement over all other treatments for the LIQUOR AND MORPHINE HABITS.

There has never been a case treated by us where the mind, physical condition, sight or hearing has been affected in the least, and we guarantee that our treatment builds up the mental and physical condition, whether impaired by excessive use of liquors or drugs, or from other causes.

Our former patients are our best advertisers.

Liquor is furnished to the patient so long as he has any desire for it, and until he refuses it of his own accord.

THE TREATMENT has long since passed the experimental stage. No case is hopeless. The treatment is purely vegetable—no gold being used.

Send for elaborate prospectus for REFERENCES from parties who have never been in need of a treatment, but who are deeply interested in the good work we have done and are doing in uplifting the fallen through liquor, and also for TESTIMONIALS from former patients, treated from three to seven years. Address

WILLIAM H. BURBANK, Proprietor,

DR. N. B. OLIPHANT, Medical Director. 318 Chestnut Av., TRENTON, N. J.

Long Distance Telephone 958.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ‡, Druggist; ‖, Dentist.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

DOCTOR

. . . THAT . . .

ATLANTIC CITY, N. J.

IS the greatest Resort of the entire world for health seekers. The number annually seeking and finding new life, health and strength in this city of the sea, exceeds by thousands any resort of this or of foreign countries.

GALEN HALL IS A SANATORIUM

IN ATLANTIC CITY

especially designed for comfort, entertainment and treatment of the invalid or convalescent.

The buildings are new, of brick, stone and iron, heated by steam, electric lighted, handsomely furnished, and provided with elevators and every convenience of the best hotels.

Physicians and trained nurses in attendance. Cuisine of excellence, and a diet kitchen for invalids' dainties.

Here there is no "Hospital Atmosphere," all is bright, clean, attractive. Your patient will improve in such environment. Treatment rooms luxurious, and fully equipped with the latest and best in Hydrotherapeutic, Electric, and Physical appliances. Sea water used.

The wishes and instructions of the patient's home physician always respected.

Illustrated Booklet on application to the General Manager,

F. L. YOUNG.

The MADISON SANITARIUM, A MEDICAL AND SURGICAL INSTITUTE. MADISON, - - - WISCONSIN.

For Treatment of Rheumatism, Dyspepsia, Women's Diseases and Chronic Diseases by means of Dietetics, Electro-therapy, Hydro-therapy, Masso-therapy, Photo-therapy, Thermo-therapy and Gymnastics. Conducted on strictly Ethical Lines.

MINING STOCKS.

Orders for **Good Colorado Gold Mining Stocks** filled at market rates. Write for information.

HUGH BAUERLEIN, BANKER and BROKER. **DENVER, COLO.**

December 13, 1850. It extends from 31 degrees 20 minuts to 37 degrees north latitude, and from 103 degrees to 109 degrees nine minutes west longitude, and is bounded on the north by Colorado, on the south by Texas and the Republic of Mexico, on the east by Texas and Indian Territory, and on the west by Arizona. It comprises an area of 121,201 square miles, or 77,568,640 acres.

The climate is salubrious; mild and equable winters being followed by cool and invigorating summers. The mean annual temperature of Santa Fe is 50.54 degrees; that of the summer 70.50 degrees and of the winter 30.28 degrees. The rainfall is light, varying from 8 inches in the valley of the Rio Grande to 20 near the Texas State line.

The following table shows the increase in population for 30 years:

1870	91,874	1890	153,593
1880	119,565	1900	195,310

MEDICAL LAW OF NEW MEXICO.

An Act to regulate the practice of medicine in New Mexico. Approved March 12, 1903.

Be it enacted by the Legislative Assembly of the Territory of New Mexico:

Section 1. That a board of health is hereby established, which shall be known as the New Mexico Board of Health, and be composed of seven reputable physicians of known ability who are graduates of medical schools of good standing, who are registered practitioners in, and who are bona fide residents of New Mexico. The governor of New Mexico shall appoint the members of said board, and shall fill any vacancies occurring herein, and shall remove from said board any member who fails to fully perform his duties on said board. The members of said board shall be appointed for a term of two years, and qualify as the board of regents of the University of New Mexico is required to do.

Sec. 2. The board shall organize and select one of its members as president, one as vice-president, one as secretary, and one as treasurer, within four months after the appointment of its members. Said board shall hold meetings in the city of Santa Fe, in the capitol building, in the rooms provided for it by the capitol custodian committee, on the first Mondays of each and every June and December. Said board may hold a special meeting in cases of emergency, said special meeting to be called by the president of the board, and the object of the meeting fully stated. A majority of the members of this board shall constitute a quorum for the transaction of all business.

Sec. 3. The said board shall, upon the production of evidence satisfactory to it, license any reputable person who is a graduate of a medical college in good standing, as defined by this act, to practice medicine, surgery and obstetrics in New Mexico. A medical college in good standing for the purposes of this act is declared to be one of at least ten years continuous existence, one which now requires a high school certificate or its equivalent, for admission to it, and one which now or hereafter requires an attendance on, and gives, four full courses in four separate years, and one which has ample clinical facilities such as are furnished in large cities. And said board shall at its December meeting in each year prepare and cause to be printed and distributed for the information of those interested, a copy of this law and a list of the medical colleges in the United States of America recognized by it to be in good standing under this section. And such board shall recognize any honorary or emeritus degree conferred upon any eminent foreigner by any such college as fully and to the same extent as if the applicant were a regular graduate thereof. The president and secretary of said board shall be and are hereby empowered to administer oaths to applicants and all witnesses and others appearing before said board in any application or proceeding provided for herein, and any person making a false oath or affidavit before said board, shall be guilty of perjury, and be subject to punishment for that crime. The secretary of said board

DR. HOLLINGER SANITARIUM, NEW ALBANY, INDIANA.
I. C. HOLLINGER, M. D., Medical Superintendent.

shall issue a temporary license to any person complying with the provisions of this act, who has paid the fee to the secretary.

Sec. 4. Every person holding a certificate of said Board of Health, shall have the same recorded in a book provided for that purpose in the office of the probate clerk of the county wherein the practitioner resides, within thirty days after said certificate is issued, and the date of the recording shall be endorsed on said certificate. Said certificate, or a copy of the registration, must be again recorded in any county to which the practitioner may remove permanently. And the fact that no such certificate shall be found recorded in the county where any person is practicing or offering to practice medicine shall be accepted by the court as prima facie evidence that no such certificate has been issued, and shall throw the burden of proving that he has a certificate upon the defendant in any suit or prosecution begun against him for the violation of the provisions of this act.

Sec. 5. It is hereby made the duty of this board to refuse to license any person guilty of immoral, dishonorable or unprofessional conduct, and said board shall also revoke and annul any certificate which has been issued by said board, or any previous board, upon satisfactory proof being made to the said board, that the holder of said certificate or diploma has been guilty of immoral, dishonorable or unprofessional conduct. Five days' notice shall be given in writing to the person accused of improper conduct, with a copy of the charge against him. Requiring him on a day named to appear before the board, and show cause why his license should not be revoked or cancelled. When any such license has been revoked or cancelled by said board, the said board shall send notice in writing under the hand of the secretary, which notice shall be filed for record and recorded in the book in which the physicians' licenses are recorded, in the office of the probate clerk of the county in which the person whose license has been revoked, resides. Any person whose certificate has been revoked or cancelled by said board, under the provisions of this act, who shall hereafter practice or attempt or offer to practice medicine in New Mexico, shall thereby become guilty of a misdemeanor and shall be punished as provided in section 9 of this act.

Sec. 6. For the purposes of this act the words "practice of medicine" shall mean to open an office for such purpose or to announce to the public or to any individual in any way, a desire or willingness or readiness to treat the sick or afflicted, or to investigate or diagnose or offer to investigate or diagnose any physical or medical ailment or disease of any person, or to suggest, recommend, prescribe or direct, for the use of any person, any drug, medicine, appliance or agency, whether material or not material, for the cure, relief or palliation of any ailment or disease of the mind or body, or for the cure or relief of any wound,, fracture or bodily injury or deformity, after having received, or with the intent of receiving therefore, either directly or indirectly, any bonus, gift or compensation.

Provided, That nothing in this act shall be construed to prohibit gratuitous services in cases of emergency, or the domestic administration of family remedies, or women from practicing midwifery, and this act shall not apply to surgeons of the United States in the discharge of their official duties.

Sec. 7. Each applicant for a license to practice medicine in New Mexico shall pay the secretary of this board a fee of twenty-five dollars ($25.00).

Sec. 8. Any vender, except licensed druggists, of any drug, nostrum, ointment or appliance of any kind intended for the treatment of disease or injury or who shall, by writing or printing, or any other method, profess to cure or treat disease or deformity by any drug, nostrum, manipulation or other expedient, shall pay a license of one hundred dollars ($100.00) per month into the treasury of said board, upon which said payment, such vender shall be licensed by said board to sell drugs, nostrum, medicines and ointments. And any person so vending or attempting to sell either from his home or office or from vehicles or by traveling through the country, on foot or horseback, any such drugs, medicines or ointments, without paying such license, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine not to exceed one hundred dollars ($100.00) or imprisonment in the county jail not to exceed ninety days, or by both such fine and imprisonment, in the discretion of the court.

Sec. 9. Upon payment to the board of the fees provided for in section 7 of this act, said board may grant licenses to licentiates of other states and territories, which have like requirements as this act provided for, and when said states and territories also honor our licenses or certificates, to the same extent as they now recognize our licenses and no further. Any person who shall practice medicine, or attempt to practice medicine, without first complying with the provisions of this law, and without being the holder of a certificate entitling him to practice medicine in New Mexico, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine not to exceed one hundred dollars ($100.00), or imprisonment in the county jail not to exceed ninety days, or by both such fine and imprisonment, in the discretion of the court.

Sec. 10. One-half of every fine collected under the provisions of this act, shall go and be paid by the court in which conviction is had, to the sheriff, deputy sheriff, constable or other person who makes complaint, and arrests and causes to be prosecuted, the person so convicted. The other half of all such fines and all fees herein provided to be paid, shall go and be the property of the said Board of Health and shall be by the treasurer of said board kept in some bank designated by said board. He shall give bond to the board in the sum of one thousand dollars ($1,000.00) conditioned for the faithful performance of his duty as treasurer, and that he shall pay over any and all sums of money received by him as such upon the proper order therefor. Such bond shall be given by some fidelity or surety company authorized to do business in this territory, and the premiums paid therefor, shall be paid by the board as one of its necessary expenses. All the expenses of the members of said board necessarily and properly incurred in

attending the sessions of said board, and for necessary supplies, shall be paid out of the said fund upon the order of the president and the secretary of said board. The treasurer of the board shall keep a correct and itemized account of all moneys received and disbursed, and shall make a report to the board at each meeting. The secretary of said board is required to report the doings and proceedings of said board, together with the amount of all moneys by it received and disbursed, and on what account, with items, on the first day of December in each year, to the governor of New Mexico.

Sec. 11. Said Board of Health is hereby authorized and empowered to make all necessary rules and regulations for carrying out the provisions of this act.

Sec. 12. Section 3 of chapter 18 of the Session Laws of 1901, and all acts and parts of acts in conflict with this act are hereby repealed, and this act shall take effect and be in force thirty days after its passage.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ¶, Druggist; ‡, Dentist.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

NEW YORK.

CAPITAL, ALBANY.

Population of State, 7,268,012.

(U. S. Census of 1900.)

Number of Physicians. 13,638.

New York, one of the original thirteen states, has, according to the United States Census of 1900, a population of 7,268,012, as compared with a population in 1890 of 5,997,853, representing an increase during the ten years of 1,270,159, or 21.2 per cent. The following table shows increase in population since 1790:

1790	340,120	1850	3,097,394
1800	589,051	1860	3,880,735
1810	959,049	1870	4,382,759
1820	1,372,111	1880	5,082,871
1830	1,918,608	1890	5,997,853
1840	2,428,921	1900	7,268,012

The total land surface is, approximately, 47,620 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 126.0; 1900, 152.6. It extends from 71 degrees, 51 minutes, to 79 degrees, 47 minutes, 25 seconds west longitude and from 40 degrees, 29 minutes, 40 seconds, to 45 degrees, 0 minutes, 42 seconds north latitude, and is bounded on the north and west by Canada, from which it is separated by the St. Lawrence river, Lake Ontario, Niagara river and Lake Erie; on the south by New Jersey and Pennsylvania, and on the east by Connecticut, Massachusetts and Vermont. The climate is healthful, although marked by extremes of heat and cold. The winters in the Adirondack region are long and severe. The mean annual temperature as observed at Albany is 47.95 and in the City of New York 51.83. The rainfall varies from 44 inches in the Hudson Valley to 32 in the valley of the St. Lawrence. The extent of the sea coast line is 248 miles, of the lake coast line, 352 miles. The surface is greatly diversified and includes rolling plateaus, level valleys and lofty mountain chains. The principal rivers are the Hudson, which rises in the Adirondacks, and, pursuing a southerly course, empties in New York Bay, its total length is about 300 miles, and for the last 150 it is navigable for the largest vessels; the St. Lawrence, which washes a portion of the northern boundary and with its numerous tributaries drains and irrigates that portion of the state; the Oswego, Niagara, Allegheny, Susquehanna, Mohawk and Delaware. Its mountain system includes the northern terminus of the Alleghanian Blue Ridge in the Highlands of the Hudson and the Adirondack groups in the northeastern angle of the state. There are over 1,300 lakes. This is a fine agricultural state, producing in abundance everything known to its latitude. It is the most important state in the Union in the extent of dairy farming and nurseries. The fruit growing interests are very large, especially apples, pears and grapes. The manufacturing interests of this, the "Empire State" of the Union, are most extensive, and the state ranks first in the value of its manufactured products. New York City, the second largest city in the world, only exceeded by London in size, and the most important seaport on the western hemisphere, is the metropolis and the leading manufacturing city of the country. Iron ore is mined and bluestone, limestone, sandstone and marble are plentiful. Oil is found in abundance in the western portion. The literary, philanthropic and religious institutions are on a par commensurate with the wealth, intelligence and progress of the state.

Deaths in 1900, 130,268; rate per 1,000 of population, 17.9.

For list of Medical Colleges, see page 152.

"INTERPINES"

GOSHEN, NEW YORK.

IN THE HEART OF ORANGE COUNTY.

"Interpines" Dr. Seward's "Home for Invalids," is a beautiful, quiet, restful home, devoted to the care and treatment of the nervous invalid. All appearances of the hospital, so distasteful to the refined, sensitive and impressionable invalid are here avoided—"Interpines" is so conducted that we may give to each case the closest individualization and apply to it the measures required, be they what they may.

CLIFTON SPRINGS SANITARIUM

CLIFTON SPRINGS, N. Y.

Founded in 1850 by the late HENRY FOSTER, M. D.

OUR MAIN BUILDING, of which a picture is here shown, is absolutely Fireproof and thoroughly up-to-date in all of its appointments; is heated by steam and open fire, provided with elevators, electric bells, and both gas and electric lights.

The main piazza, 225 feet long, is enclosed with glass during the winter months.

OUR MEDICAL DEPARTMENT is in charge of a staff of eleven regularly graduated physicians of long experience in Sanitarium practice.

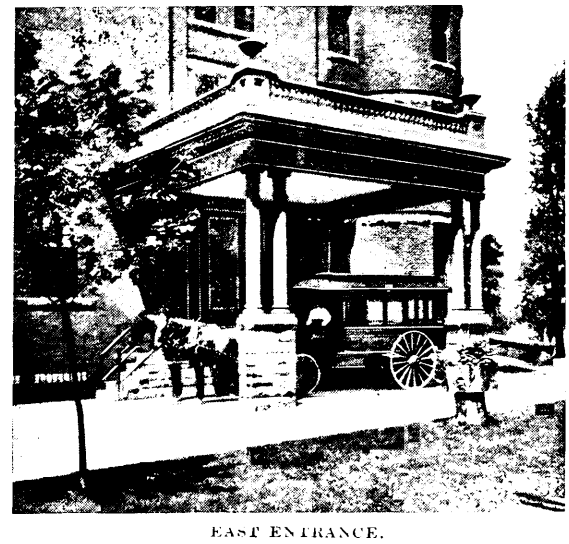
THE SURGICAL DEPARTMENT, a more recent addition carefully arranged and supplied with all the latest equipment, is in charge of an eminently successful surgeon,

NURSES. Supplementing the work of the Medical Staff is a large corps of Trained Nurses and Bath Attendants under the direct oversight of a Superintendent of Nurses.

These departments justify the claim that our facilities for Medical and Surgical Treatment are unexcelled.

PHYSICIANS ARE PARTICULARLY INVITED to visit and inspect our Sanitarium. In receiving patients sent us by their home physician, it is our purpose to follow as closely as possible such line of treatment as their knowledge of the patient may suggest.

(SEE OVER.)



EAST ENTRANCE.

CLIFTON SPRINGS SANITARIUM

WATERFALL.

PARKS—Sixty acres of finely wooded parks with their cool shade, and delightful walks, are a pleasing feature to our many guests.

THE SULPHUR SPRINGS, because of the proportion in which they combine the essential compounds, are classed with the leading remedial springs of the world.

BATHS—Our bath rooms, finished in marble and tile, are complete in every detail.

THE DINING ROOM—Being large and well lighted on three sides is very inviting.

THE CUISINE is of the best, and is not the least attractive feature of the place.

BEAUTIFUL FOR SITUATION.
HEALTHFUL AS TO SURROUNDINGS.
COMPLETE IN ITS EQUIPMENT.
DISTINGUISHED FOR THE LIBERAL TERMS.

IT IS DISTINCTIVELY AN IDEAL SANITARIUM.

SUMMARY OF REQUIREMENTS FOR LICENSE TO PRACTICE.

The Regents of the University have supervision of the regulation of admission to practice. The Regents appoint three separate State Boards of Medical Examiners representing th Medical Society of the State of New York, the Homoeopathic Medical Society of the State of New York, and the Eclectic Medical Society of the State of New York. Each board submits to the regents lists of suitable questions in anatomy, physiology and hygiene, chemistry, surgery, obstetrics, pathology and diagnosis, and therapeutics, including practice and materia medica. From these lists the regents prepare question papers for the examination which are the same for all candidates, "except that in therapeutics, practice and materia medica all the questions submitted to any candidate shall be chosen from those prepared by the board selected by that candidate and shall be in harmony with the tenets of the school as determined by its state board of medical examiners." The exam-

The MADISON SANITARIUM,
A MEDICAL AND SURGICAL INSTITUTE.
MADISON, = - - WISCONSIN.

For Treatment of Rheumatism, Dyspepsia, Women's Diseases and Chronic Diseases by means of Dietetics, Electro-therapy, Hydro-therapy, Masso-therapy, Photo-therapy, Thermo-therapy and Gymnastics.
Conducted on strictly Ethical Lines.

inations are conducted by a regents' examiner, not a member of any of the several boards, and are exclusively in writing and in English. The questions and answer papers are examined by the respective examining boards and an official report on the same transmitted to the board of regents, signed by the president and secretary of the examining board, stating the standing of each candidate and recommending or not for license. The regents issue the licenses when they are satisfied the candidate is qualified. James Russell Parsons, Secretary Regents of the University, State Capitol, Albany.

All requirements for admission should be completed at least one week before examinations.

They are as follows:

1. Evidence that applicant is more than 21 years of age (Form 1).
2. Certificates of moral character from not less than two physicians in good standing (Form 2).
3. Evidence that applicant has the general education required, preliminary to receiving the degree of bachelor or doctor of medicine in this state (Medical student certificate.)
4. Evidence that applicant has studied medicine not less than four full school years of at least nine months each, including four satisfactory courses of at least six months each, in four different calendar years in a medical school registered as maintaining at the time a satisfactory standard. New York medical schools and New York medical students shall not be discriminated against by the registration of any medical school out of the state, whose minimum graduation standard is less than that fixed by statute for New York medical schools.

The increase in the required course of medical study from three to four years does not take effect till January 1, 1898, and does not apply to students who matriculated before that date and received the degree of M. D. before January 1, 1902, (Form 1).

First exemption.—"The regents may in their discretion accept as the equivalent for any part of the 3d or 4th requirement, evidence of five or more years' reputable practice of medicine, provided that such substitution be specified in the license."

5. Evidence that applicant "has received the degree of doctor or bachelor of medicine from some registered medical school, or a diploma or license conferring full right to practice medicine in some foreign country." (Form 3 or original credentials.)
6. The candidate must pass examinations in anatomy, physiology and hygiene, chemistry, surgery, obstetrics, pathology and diagnosis, therapeutics, practice and materia medica. The questions "shall be the same for all candidates, except that in therapeutics, practice and materia medica all the questions submitted to any candidate shall be chosen from those prepared by the board selected by that candidate, and shall be in harmony with the tenets of that school as determined by its state board of medical examiners."

Second Exemption.—"Applicants examined and licensed by other state examining boards registered by the regents as maintaining standards not lower than those provided by this article, and applicants who matriculated in a New York state medical school before June 5, 1890, and who received the degree M. D. from a registered medical school before August 1, 1895, may, without farther examination, on payment of $10 to the regents and on submitting such evidence as they may require, receive from them an indorsement of their licenses or diplomas, conferring all rights and privileges of a regents' license issued after examination."

7. A fee of $25, payable in advance.
8. In 1901 the medical law was amended, giving the regents power to admit conditionally to the licensing examinations in anatomy, physiology and hygiene, and chemistry, applicants certified as having studied medicine not less than two full years of at least nine months each, including two satisfactory courses of at least six months each in two different calendar years, in a medical school registered as maintaining at the time a satisfactory standard; provided that such applicants are more than twenty-one years of age, of good moral character, have the requisite preliminary education and pay the fee of $25; the final examinations in surgery, obstetrics, pathology and diagnosis, and therapeutics, including materia medica, to be met after having finished the full period of study and having received the medical degree. As a result of a conference held May 13, 1901, by the representatives of the medical interests of the state, the regents have been requested to put this plan in operation, beginning with the September, 1901, medical licensing examination.

NOTES ON THE LAW.

1. Seventy-five per cent of correct answers is required in all subjects.
2. All subjects must be passed at the same examination.

Note:—When a candidate for a license has been rejected in but one topic and his total average is at least 80, at subsequent examinations he shall be examined only in the topic in which he originally failed to receive the required (75) percentage.

3. All examinations must be conducted in the English language.
4. Medical preparatory courses, as such courses are now taught in various scientific schools and colleges, cannot be accepted for one year of the four years' medical study required by the law.

SPIROMETERS
PHYSICIANS STANDARD SUPPLY CO., Philadelphia, Pa.

Preparation—Par Excellence

"Fellows' Syrup of Hypophosphites"

CONTAINS

Hypophosphites of Iron, Quinine, Strychnine, Lime, Manganese, Potash.

Each fluid drachm contains Hypophosphite of Strychnine equal to 1-64th grain of pure Strychnine.

Offers Special Advantages

in Anaemia, Bronchitis, Influenza, and during Convalescence after exhausting diseases.

Special Note.—Fellows' Hypophosphites is **Never Sold in Bulk**, and is advertised only to the Medical Profession. Physicians are cautioned against worthless substitutes.

Medical Letters may be addressed to

MR. FELLOWS, 26 Christopher Street, New York.

Literature of value upon application.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ¶, Druggist; ⟨, Dentist.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

TUBERCULOSIS.

The Intravenous Infusion Method of Treatment.

THE INTRAVENOUS THERAPY COMPANY, after having carefully examined the Intravenous Infusion Method originated and introduced by Dr. Wilfred G. Fralick for the treatment of tuberculosis, and also the composition of the serum, the methods of standardization, etc. and having for a period of nearly two years watched the progress under this treatment of a large number of cases, is now ready to announce to the profession that it has undertaken the manufacture and sale of the serum.

In order to acquaint physicians (to whom only the serum is sold, and through whom only it will be introduced) with the value of this new therapeutic agent, offices have been established in various parts of the country, where every courtesy will be shown the profession.

THE FORMULA.

The fluid is a clear, artificial blood serum with powerful antitoxic and germicidal properties. It is isotonic with the blood, non-irritating, and non-toxic, and hence it is absolutely harmless. It contains ozone and unstable compounds, which consist of oxygen loosely combined with the organic and inorganic constituents of the blood.

ACTION OF THE SERUM.

Antitoxic I. The toxaemia and its manifestations—fevers, night sweats, and rapid heart action—are controlled.

Bactericidal II. Bacteria and all micro-organisms are destroyed. Microscopic examinations of the sputum reveal either diminution in the number of tubercle bacilli to the field, or total elimination.

Reinforces Natural Germicidal Power of Blood. III. It is so nearly akin to the natural germicidal agents in blood and tissue that it reinforces and multiplies them with the result that eventually the system is enabled through natural processes to destroy the tubercular germs and their products.

Innocuous. IV. Owing to its similarity to the serum elements in the blood and tissues, it destroys the germs without in any way injuring the blood and tissue elements.

Oxygenizes Blood and Tissues. V. It oxygenizes blood corpuscles and tissue. This is nature's method of combating tuberculosis.

Chemotactic. VI. It is chemotactic, increasing the number of leucocytes in the neighborhood of the tubercular foci, resulting in fibrous encapsulation and cicatrization of the degenerating areas.

Ionization. VII. The ions in this serum act not only antitoxically but bring about metabolic changes, multiplying the ions in the system and thus perpetuating the remedial action of the serum exerted at the time of its introduction into the veins.

SUMMARY.

1. The serum neutralizes toxins and destroys germs.
2. It increases the number of both red and white corpuscles.
3. It increases the percentage of hemoglobin.
4. It is a general cell reconstructive.

Hence, by reason of its properties it increases the natural resistance of the body, and thus assists nature in overcoming disease.

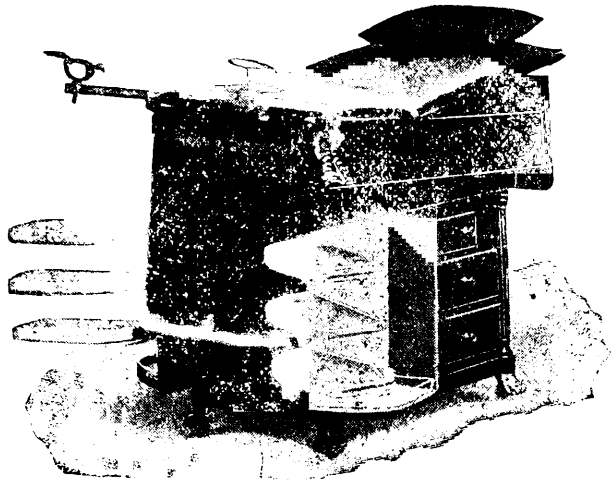
THE ALLISON TABLES, CHAIRS AND CABINETS.

The Standard by Which All Others are Measured.



Perfect in every detail of construction and finish; supplying every convenience required in office practice.

The Tables and Chairs, noiseless in every adjustment, provide all known positions without inconvenience to the operator and with the least discomfort to the patient.

The Cabinets, provided with commodious compartments, fully protect the physician's instruments and bring all his medicines and supplies within easy access.

(Catalogue "A" Fully Describes Them.)

THE RIVER CREST SANITARIUM ....ASTORIA, L. I. NEW YORK CITY

(Duly Licensed by the State Commission in Lunacy.)

FOR

MENTAL AND NERVOUS DISEASES

ALCOHOLIC AND DRUG ADDICTIONS

BOTH COMMITTED AND VOLUNTARY PATIENTS RECEIVED.

A WELL equipped Home Sanitarium, situated in the most healthful section of Astoria, L. I., New York City. The location is in a beautiful park of thirty acres, isolated, yet within easy reach of Manhattan, and with attractive views of East River, Long Island Sound and the great city. A decided advantage of the Sanitarium is the absence of institutional features. Golf, tennis, bowling, on the grounds. A fine new brick fireproof building for men, equipped with the latest system of Hydrotherapeutics, has recently been erected.

FAIR LEA is a department of River Crest for patients desiring special and superior accommodations. A separate building is devoted to the care of alcoholic and cases of drug addiction. This is the nearest Sanitarium to the Borough of Manhattan, and is easily reached by carriage.

FOR INFORMATION AND RATES ADDRESS

NORTH CAROLINA.

CAPITAL, RALEIGH.

Population of State, 1,893,810.
(U. S. Census of 1900.)
Number of Physicians, 1,801.

North Carolina extends from 33 degrees 53 minutes to 36 degrees 33 minutes north latitude, and from 75 degrees 25 minutes to 84 degrees 30 minutes west longitude, and is bounded on the north by Virginia, on the west by Tennesse, on the south by South Carolina and Georgia, and on the east by the Atlantic ocean. It comprises an area of 50,704 square miles, or 32,450,500 acres.

The climate is warm, the mean annual temperature being 58.52, that of the summer 77.24, and of the winter 40.14. The average annual rainfall is about 43 inches.

The following table shows the increase in population for 70 years:

1830	737,987	1870	1,071,361
1840	753,419	1880	1,399,750
1850	869,039	1890	1,617,947
1860	992,622	1900	1,893,810

SYNOPSIS OF MEDICAL LAW.

The Board of Medical Examiners of the State of North Carolina is appointed by the State Medical Society. The law as amended in 1899 provides that the Board shall examine all applicants who exhibit a diploma or furnish satisfactory proof of graduation from a medical college in good standing requiring an attendance of not less than three years and supplying such facilities for clinical instruction as shall meet the approval of the Board, for license to practice medicine or surgery or any of the branches thereof, on the following branches of medical science, namely: Anatomy, physiology, surgery, pathology, medical hygiene, chemistry, pharmacy, materia medica, therapeutics, obstetrics and the practice of medicine, and if, on such examination, they be found competent, to grant to each applicant a license or diploma, authorizing him to practice medicine and surgery, or any of the branches thereof: Provided, five members of the Board shall constitute a quorum and four of those present shall be agreed as to the qualifications of the applicant: Provided, that the requirement of three years' attendance shall not apply to those graduating prior to January 1, 1900: Provided, further, that license or other satisfactory evidence of standing as a legal practitioner in another state shall be accepted in lieu of a diploma and entitle to examination.

To prevent delay and inconvenience, two members of the Board of Medical Examiners may grant a temporary license to any applicant who shall comply with the requirements as to graduation prescribed and make report thereof to the next regular meeting of the Board: Provided, such temporary license shall not continue in force longer than the next regular meeting of the Board, and such temporary license shall in no case be granted after the applicant has been refused a license by the Board of Medical Examiners.

The Board of Medical Examiners shall assemble at the same time and place when and where the Medical Society assembles, which society shall assemble at least once in every year at such time and place as the said society, at its next preceding meeting, shall have fixed; and the said Board shall remain in session from day to day until all applicants who may present themselves for examination within the first five days after its meeting shall have been examined and disposed of: Provided, that the said Board may, at its discretion, meet not more than one week before the said society, but always in the same place; and that one additional meeting in each year may be held at some suitable point in the state if deemed advisable.

The Board shall have power to demand of every applicant thus licensed the sum of $10 before issuing a license, and the sum of $5 for each temporary license, to be paid to the Secretary of the Board. Midwives and outside consultants are exempted. Licenses must be registered with the clerk of the Superior Court within thirty days after receiving same.—Journal of the American Medical Association.

For the purposes of this act the expression practice of medicine or surgery shall be construed to mean the management or treatment for fee or reward of any case of disease, physical or mental, real or imaginary, with or without drugs, surgical operation, surgical or mechanical appliances, or by any other method whatsoever: Provided, that this shall not apply to midwives, nor to nurses: Provided further, that applicants not belonging to the regular school of medicine shall not be required to stand an examination except upon the branches taught in their regular colleges, to-wit, the osteopaths shall be examined only upon Descriptive Anatomy, General Chemistry, Histology, Physiology, Urinalysis and Toxicology, Hygiene, Regional Anatomy, Pathology, Neurology, Surgery, Applied Anatomy, Bacteriology, Gynecology, Obstetrics and Physical Diagnosis: "Provided, this act shall not apply to any person who ministers to or cures the sick or suffering by prayer to Almighty God, without the use of any drug or material means."'

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ¶, Druggist; ⟨, Dentist.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Stevens' Pocket Vaporizer, CONTAINING NOSE and MOUTH PIECE, includes an attachment for a hand bulb, also for a cut-off. Is the finest Pocket Vaporizer manufactured. Price $1.00, with solution to last 6 months.
PHYSICIANS STANDARD SUPPLY CO., PHILADELPHIA, PA. (See adv. in Pennsylvania Physicians.)

BROADOAKS SANATORIUM

MORGANTON, NORTH CAROLINA.

A PRIVATE HOSPITAL FOR THE TREATMENT OF NERVOUS AND MENTAL DISEASES.

ISAAC M. TAYLOR, M. D.

MORGANTON is easy of access from North and South, is on the Southern R. R., 62 miles distant from Asheville; 79 miles from Salisbury—on the through line from Norfolk to Memphis. Through Pullman service from New York, Philadelphia and Washington.

The Location of the Sanatorium is unsurpassed for healthfulness and beauty of the surrounding country; is 1200 feet above the sea, and an all-the-year-round outdoor climate.

NORTH DAKOTA.

CAPITAL, BISMARCK.

Population of State, 319,146.
(U. S. Census of 1900.)
Number of Physicians, 370.

North Dakota, known as the "World's Bread Basket," from its wealth of wheat crop, was admitted to the Union in 1889 and has, according to the United States Census of 1900, a population of 319,146, as compared with a population in 1890 of 182,719, showing an increase during the decade of 136,427, or 74.7 per cent., the largest percentage of increase of any state in the Union except one. It extends from 46 degrees to 49 degrees north latitude, and from 96 degrees, 22 minutes, 30 seconds to 104 degrees west longitude, and is bounded on the north by the British Possessions, on the west by Montana, on the east by Minnesota, and on the south by South Dakota. It is 212 miles in length, has an average breadth of 340 miles, and comprises an area of 72,312 square miles

The temperature varies during the year from 49 degrees below zero to 107 Fahrenheit. The winters are cold and much snow falls. The average rainfall is about 18 inches. The atmosphere is clear and dry, and owing to the elevation malarial diseases are nearly unknown, whilst pulmonary complaints are comparatively rare. There is an earlier spring than in eastern states in same latitude

SYNOPSIS OF MEDICAL LAW.

The Governor shall appoint a Board of Examiners to be known as the State Board of Medical Examiners, consisting of nine members, of whom eight shall be practicing physicians in good standing.

All persons before commencing the practice of medicine, surgery or obstetrics, in this State, shall apply to the Board for a license so to do, and such applicant shall submit to an examination in the following branches: Anatomy, physiology, chemistry, histology, materia medica, therapeutics, diseases of women and children, diseases of the nervous system, diseases of the eye and ear, medical jurisprudence and such other branches as the Board deems advisable, and present evidence of having attended three courses of lectures of at least six months each; the Board shall cause such examination to be practical and scientific and sufficient to test the candidate's fitness to practice medicine, surgery and obstetrics. If such applicant passes the prescribed examination, the board shall grant him a license to practice medicine, surgery and obstetrics in this State, which license shall be signed by the president and secretary of the Board and attested by the seal thereof. The fee for such examination shall be twenty dollars, to be applied by the Board toward paying the expenses thereof.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ¶, Druggist; ‡, Dentist.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

OHIO.

CAPITAL, COLUMBUS.

Population of State, 4,157,545.

(U. S. Census of 1900.)

Number of Physicians, 8,275.

Ohio was organized as a state, November 19, 1802. It has, according to the United States Census of 1900, a population of 4,157,545, as compared with a population in 1890, of 3,672,316, representing an increase during the decade of 485,229 or 13.2 per cent. The following table shows the increase in population since 1800:

1800	45,365	1860	2,339,511
1810	230,760	1870	2,665,260
1820	581,295	1880	3,198,062
1830	937,903	1890	3,672,316
1840	1,519,467	1900	4,157,545
1850	1,980,329		

The total land surface of Ohio is, approximately, 40,760 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 90.1; 1900, 102.0. It extends from 38 degrees, 25 minutes, to 42 degrees north latitude, and from 80 degrees, 28 minutes, to 84 degrees, 42 minutes west longitude, and is bounded on the north by Michigan and Lake Erie, on the south and southeast by the Ohio river, which separates it from Kentucky and West Virginia, on the east by Pennsylvania, and on the west by Indiana. The climate is mild and salubrious. The mean annual temperature is about 50 degrees in the northern tier of counties; 51 degrees in the central part of the state, and 54 degrees in the most southerly parts, along the banks of the Ohio river. The average rainfall is about 41 inches, being the greatest along the valley of the Ohio.

Ohio has no elevations that could be termed mountains, but it is far from being a level plain. With the exception of the northwestern part, it is a tableland, having a mean elevation above the sea of 1,000 feet ,the inequalities of which are the result of the erosion or excavation of valleys and ravines by streams of water. A ridge or rather a swell of the ground forms the divide between the waters flowing north into Lake Erie and those flowing south into the Ohio river. Near the 40th parallel extends a belt of hills from east to west, through the middle of the state, abounding in highly picturesque scenery. Toward the south the valleys cut out by the streams grow deeper and deeper, until they reach the valley of the Ohio river, which is several hundred feet below the general level of the state. The surface of that part of the state which lies north of the watershed is generally level, and has a gentle inclination toward the lake.

Ohio has a large number of rivers and a lake front of 230 miles. The principal rivers are the Ohio, Little Beaver, Muskingum, Hocking, Scioto, Mahoning, Little Miami, Great Miami, Vermillion, Ashtabula, Cuyahoga, Portage, Maumee, Sandusky, Huron, Black, Chagrin and Rocky.

MEDICAL LAW REGARDING REGISTRATION.

The following facts are stated for the information of those desiring to practice medicine or surgery in the State of Ohio:

1. No person can lawfully practice medicine in the State of Ohio unless licensed to do so by the State Board of Medical Registration and Examination.

2. Certificates entitling the holder to practice medicine and surgery in Ohio are issued only after examination by the Board, except in the following cases:

(a) Applicants who were matriculated on January 1st, 1900, in any medical college in the State of Ohio, recognized by the State Board of Medical Registration and Examination, who have graduated since January 1, 1900, and who file their diplomas for registration prior to July 1st, 1904, may receive certificates under the Act of February 27th, 1896.

(b) The Board may in its discretion, dispense with an examination, in the case of a physician or surgeon duly authorized to practice medicine or surgery in any state, territory or the District of Columbia, who may desire to change his residence to Ohio, and who makes application on a form to be prescribed by the Board, accompanied by a fee of fifty dollars, and presents a certificate, or license issued after an examination by the Medical Board of such state, territory or the District of Columbia, accorded only to applicants from states, territories and districts whose laws demand qualifications of equal grade with those required in Ohio; but such examination shall not be dispensed with unless under the law and regulations of the state, territory or the District of Columbia, equal rights and privileges are accorded to physicians and surgeons of Ohio, holding the certificate of the Board, who may desire to move to, and practice in such state, territory or the District of Columbia.

3. Examinations will begin on the second Tuesday of June and December, and will continue for three days. Examinations will not be held at any other time except as stated above.

4. Completed applications must be filed with the secretary of the Board at least ten days prior to the day set for the examination which the applicant desires to enter.

5. A fee of twenty-five dollars must accompany each application.

6. Only graduates in medicine from colleges recognized by the State Board of Medical Registration and Examination are admitted to the examinations.

7. The examination is written and must be in the English language. It includes anatomy, physiology, pathology, chemistry, materia medica and therapeutics, the principles and practice of medicine, surgery, obstetrics, and such other subects as the Board shall require. The applicant is examined in the materia medica and therapeutics and the principles and practice of medicine, of the school of medicine in which he desires to practice.

8. Copies of questions which have been used in previous examinations will not be furnished under any circumstances.

9. Persons failing in one examination may be re-examined within one year without the payment of an additional fee.

10. Blanks for application will be furnished by the Secretary upon request.

11. The applicant's diploma must in every case accompany his application papers. After verifying the diploma the secretary will return it by express at once.

12. All correspondence should be addressed to Dr. Frank Winders, Secretary, Columbus, Ohio.

Postage stamps should be enclosed for answer.

RECTAL DISEASES.
PILES
The only "Natural Treatment" known. Restorative, not destructive.
Most successful in all so-called incurable Rectal Diseases.
DR. WALTER C. BROWNING, 1325 Spruce Street,
(SEE PAGE 8.) PHILADELPHIA.

The Shepard-McMillen Sanitaria,

NEAR COLUMBUS, OHIO.

The Shepard Sanitarium

FOR CHRONIC and NERVOUS DISEASES.

W. E. POSTLE, M. D., Superintendent.

Address, SHEPARD, OHIO.

TELEPHONE 389.

We shall continue Dr. Shepard's methods of MASSAGE AND REST so successfully used by him here for the past fifty years. Combining with them modern medical treatment for all forms of chronic, nervous and female diseases.

The McMillen Sanitarium

FOR MENTAL DISEASES.

BISHOP McMILLEN, M. D., Superintendent.

Address, SHEPARD, OHIO.

TELEPHONE 2406.

All forms of diseases with mental complications admitted. ALCOHOLIC, MORPHINE, and other drug habits treated. We offer special medical treatment, good care, night attendants, up-to-date equipments, and constant personal supervision.

STREET CARS TO DOORS.

While these institutions are the successors of Shepard's Sanitarium, they have entirely separate business management, employes, patients and grounds.

Patients find these Sanitaria, with their large shaded lawns, beautiful places in which to secure rest and comfort while being treated. Write us, state patient's condition in full, and ask for terms of admission.

Professional Correspondence Solicited.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement.
Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ¶, Druggist; ‡, Dentist.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

"THE SURGERY OF LIGHT."

MARION FINSEN LIGHT SANITARIUM,

120 West Third St., Marion, Indiana.

The best equipped Electrical Sanitarium in the west. Every electrical appliance known to the profession of electro-therapeutics and under the immediate direction of the best specialists in the country.

DEAFNESS CAN BE CURED.

Beside having every treatment at this time generally known to medical science for the treatment of deafness, we have our own specially devised Ultra-Violet treatment that cannot be secured any other place in the world and the percentage of cures we have affected is greater than in any other institution that treats hardness of hearing in any form. All ordinary cases can be cured in reasonable time and other cases usually classed as hopeless can be benefited. We have hundreds of testimonials to that effect.

FINSEN'S ULTRA-VIOLET RAY.

Finsen's Ray is used from the best lamp procurable and designed by Dr. Neils Finsen himself. Its curative and healing powers are not even yet all known. Roentgen or X-Rays in all forms with Static electricity. Every known Faradic and Galvanic treatment, eliminating the use of the knife in many cases.

Cancer, Lupus, Tuberculosis, Stomach and Kidney Trouble, Rheumatism, Nervous Disorders, Eczema in Its Most Violent Forms Can Be Cured at This Institution in all Cases Without Pain or Danger. Testimonials Furnished Upon Request. Physicians Invited to Write for Terms and to Investigate.

ADDRESS:

MARION FINSEN LIGHT SANITARIUM,
